REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2007-2008 school year, Congaree-Wood Early Childhood Center participated in the Southern Association of Schools and Colleges District Accreditation evaluation. This process allowed us to take an in-depth look at all areas of our school program. We focused on the areas of social, academic, safety, parent involvement, and leadership. We developed a School Renewal Plan that addresses each area through established goals and requisite activities.

This year six of our teachers have been working on National Board Certification. Many of our faculty members are pursuing advanced degrees, attending conferences and workshops, and participating in other coursework and staff development opportunities.

We established an EAGLETS Room based on the need to provide support for literacy in grade one. Several of our Early Literacy Interventionist and grade-one teachers visited schools with reading labs to gain first hand information and ideas. Our room opened in late January, serving students from six of our first-grade classes, 30 minutes a day Monday-Thursday. The children received small group instruction in reading and writing on their instructional level from four certified teachers. This experience has grown our children as readers and writers. We are looking forward to opening our second EAGLETS Room next school year to serve our other seven grade-one classes.

As a school, we participated in several service-learning projects. We collected personal health items to donate to RAPHA Nursing Home. We collected food for the Harvest Hope Food Bank in the amount of 1,350 pounds. We collected Pennies for Pages in the amount of \$1,030.00 to purchase new books for our media center. Scholastic Books donated one book for every dollar collected to benefit: Kids in Distressed Situations, Inc., National Center for Family Literacy, and Toys for Tots. We made an effort to become increasingly green in order to raise awareness of the need to recycle as good care-takers of our environment. Through these experiences, we support our children as citizens and promote character in keeping with our motto, "We are the Congaree-Wood Early Childhood Center EAGLETS – Watch Us Soar."
